

IPW Canada – Host Instructions

Thank you for agreeing to host one of our IPW Meetings for our Israel Prayer Watch tour across Canada. We look forward to rallying believers in YOUR community to come together to pray for Israel and the Jewish people and to stand in solidarity with us **AGAINST** Antisemitism. This is becoming an increasing problem in our country and around the world and we want to make a strong unified statement as believers of our unwavering support of Israel and the Jewish people.

You will be the local host and Rev. Jeff Futers from First Century Foundations will lead/MC the meeting. Below is a checklist of things that you will need to cover so that together we can have a successful Israel Prayer Watch Meeting:

1. Secure a donated host facility.
2. Arrange for a local volunteer worship team (if possible) and for volunteer audio, media and lighting personnel so that we can use PowerPoint, video, etc.
3. Invite other pastors and their congregations to join us for the evening in your community (promotional materials will be provided for you to share with them).
4. Advertise on social media and your local media channels.
5. Secure volunteer ushers to help receive a free-will offering to assist with the expenses of the tour. All funds raised over and above tour expenses will go towards the ministry of FCF and supported ministries in Israel.
6. Consider providing either hotel or billeted accommodation for Jeff and Sharon on the night of the event (if necessary – please consult with Sharon for details about your specific date).
7. Plan to join us in person or via livestream for our final event, the Israel Prayer Watch Summit, taking place on September 24th at PORTICO Community Church in Mississauga ON. In person, 3:00pm to 9:00pm. Livestream 6:00pm to 9:00pm.
